

## PRESS RELEASE

**Save the date: 9-11 October 2024**  
**Open for registrations: 13<sup>th</sup> European Wood-based Panel Symposium**

---

Brussels, 27 October 2023

Please mark your calendars for 9-11 October 2024 and secure your spot to attend a major networking event in the WBP industry, bringing together experts, researchers, and professionals to discuss the latest developments in the field. Insightful presentations, networking opportunities and access to cutting-edge research that will shape the future of the industry are to be expected.

The last edition in 2022 was a great success: 320 delegates from 28 countries enjoyed two days of market updates, technical presentations and networking. The event covered many topics on the market and technical levels. A particular highlight was the opening session that featured the Chairman of EPF, the President of EFIC, and the Director General of Cefi, the leaders of the wood-based panels, furniture and paper industries.
